## **RESOLUTION**

**Resolved,** that the Current Statements of Position or Policy D-2 Use of Animals in Research, Testing and Education be amended to read as follows:

### **D-2 Use of Animals in Research, Testing and Education**

The American Student Dental Association supports the use of animals in scientific research, testing, and education in a manner compliant with the Institutional Animal Care and Use Committee. Researchers should respectfully adhere to relevant animal study regulations, including but not limited to the Institutional Animal Care and Use Committee (IACUC) and the Institutional Review Board (IRB).

**Action:** The Chair moves 205-2021 with the recommendation of a yes vote and to be placed on Consent Calendar.

**House Action:** Adopted by the House.
