WORK EXPERIENCES

Vicente Dental – Los Angeles, CA

Nov 2021- May 2023

Dental Assistant & Front Desk Receptionist

- Responsibilities included dental assisting both front and back office. Assisted with sterilization of all equipment and breakdown of rooms. Assisted front office with scheduling, insurance verifications and claims, and treatment planning. Additionally assisted with procedures, and 3D printing using SprintRay 3D printer to print models, make nightguards, and present cases to patients.

Anait Alabyan, DDS, Inc. – Sherman Oaks, CA

July 2021 - Nov 2021

Dental Assistant

- As a dental assistant, I assisted with dental procedures such as fillings, crowns, extractions, dentures, and all other cosmetic or general dentistry procedures.
- I assisted the doctor with iTero scans for Invisalign patients or crown laboratory cases, took impressions with alginate or putty, assisted front staff, billed, prepared rooms, instruments, and equipment, and took necessary x-rays. This position has helped me learn the steps and materials for each procedure, the tools, sterilization, lab work, but most importantly it has allowed me to appreciate the patient-doctor/dental assistant or doctor-dental assistant relationship.

Alzheimer’s Association - Los Angeles Chapter – Los Angeles, CA

Oct 2019 – June 2023

Alzheimer’s Congressional Team Member, State Champion, & Volunteer

- Advocate on behalf of physicians, patients, caregivers, and all Californians affected by Alzheimer’s. Conduct legislative meetings on Alzheimer’s Association’s legislative priorities at local legislator’s district office, the California State Capitol in Sacramento, and at Congress in Washington D.C.
- Priorities include public health investments to adopt the CDC’s Healthy Brain Initiative in California, and to increase awareness, research funding, and opportunities for Californians with Alzheimer’s to receive a diagnosis at the earliest signs of cognitive impairment.

Valley Presbyterian Hospital – Van Nuys, CA

March 2019 – July 2021

Compliance & Contracts Coordinator

- Performed risk assessments and investigations, conducted exclusionary searches, compliance monitoring and departmental auditing, developed and tracked action plans, assisted in Policy and Procedure development and reviews, assisted with the development of education and training materials, typed reports and executive meeting minutes, developed presentations and spreadsheets, assisted in the performance of audits, revised contracts daily under the supervision of the Contract

Administrator and tracked contract management, reviewed time logs and ensured contract compliance, and assisted Chief Compliance & Privacy Officer in all administrative tasks. Member of the Compliance Committee team that met bi-monthly.

- Goal Getters member and Compassion in Action volunteer

UCLA School of Dentistry – General Clinic – Westwood, CA April 2017 – Aug 2018

Group Practice Administrator & Administrative Specialist

- Served as the primary support person for group practice of approximately 25 teams of dental students (up to 140 students) and the Group Practice Directors assigned to the particular practice.
- Responsibilities included monitoring the treatment of patients, scheduling appointments for 3 dental clinics, providing advocacy for both patients and students, faculty support, assigning patients to students in consultation with Group Practice Directors, inputting student's block rotations, and sending written correspondences to patients. Recall patient chart reviews completed with students to audit patient records. Provided Axium training as a Superuser to D1 & D2 classes.

UCLA School of Dentistry – Restorative & Endodontics - Westwood, CA Sept 2016 – April 2017

Administrative Assistant III

- Provided administrative support to the Division Chair, Section Chairs, Postdoctoral Director, full-time and part-time faculty members, lecturers, postdoctoral scholars, ACT and preceptor students, dental students, and undergraduate students. Acted as course assistant for all restorative and endodontics department didactic and simulation lab courses.

UCLA Health – Patient Experience & Interpreter Services - Westwood, CA May 2015 – Aug 2016

Administrative Assistant II/ Information Desk Receptionist

- Completed numerous projects, answered high volume calls, forwarded calls to departments, looked up patient's appointments and locations, assigned pagers, dispatched, maintained database, contacted vendors, managed and refilled supplies, scheduled meetings, prepared meeting notes, recorded meeting minutes, and updated directory for UCLA Health as needed.
- Areas: Interpreter Services, Volunteers, Surgical Waiting Area, 200 Medical Plaza & RRUCLA.

UCLA Health – Patient Experience & Interpreter Services - Westwood, CA Jan 2015 – Aug 2016

Health Administration Intern/EVIP Intern

- Led the Employee Volunteer Interpreter Training Program (EVIP).
- Admitted students, prepared materials prior to the course, planned and organized graduation, scheduled shadowing and took attendance through multiple excel files. Read student reviews of the course and addressed concerns, printed certificates, scheduled meetings, prepared meeting notes, and overall assisted department with administrative needs.

In-Home Supportive Services (IHSS) – Los Angeles, CA Aug 2013 – June 2017

Provider

- Cared for an elderly, disabled woman partially blind in one eye with multiple chronic illnesses with everyday tasks and personal care to improve her quality of life as she aged.

Kaiser Permanente Regional Laboratory – North Hollywood, CA Jan 2013 – Aug 2013

Summer Youth Employment Program (SYEP) Intern

- Worked as an assistant in the Health & Safety Department, as well as a laboratory assistant in the Solutions Department. Completed inventory, administered safety checks throughout facility, collected data, prepared solutions, properly labeled hazardous chemicals, dispensed formulas, prepared and updated MSDS reports for all substances in the facility, and sent out solutions to various Kaiser locations.

Valley Presbyterian Hospital – Volunteer Services – Van Nuys, CA

April 2010 – Jan 2013

Student Leader of Volunteers

- Completed over 1000 hours of service. Duties included but were not limited to answering a 6-line telephone, taking orders, scheduling errands, discharging, and transporting patients, aiding the unit secretaries and nurses in completing their tasks, and being the leader of my shift's volunteers by running the escort (volunteer) office and solving conflicts that arose.

Departments: Information Desk, Patient Escort, Oncology & Medical Surgery, Medical Surgery, Pathology, Radiology, Volunteer Services, Dietary, Distribution, and Central Services.
