Educational Experience

Orthognathic Seminars

UCLA School of Dentistry

- Attended and engaged in fifteen seminars focused on advanced orthognathic techniques, enhancing my knowledge of surgical approaches and treatment planning.

Anatomy Selective

UCLA School of Dentistry

- In my anatomy selective, I engaged in hands-on dissections and collaborative learning, deepening my understanding of human anatomy. This experience enhanced my critical thinking and reinforced my commitment to applying anatomical knowledge in clinical practice.

Public Health Selective

UCLA School of Dentistry

- During my public health selective, I examined health challenges through a multidisciplinary approach. I explored topics like epidemiology and health policy, gaining insights into health equity. Collaborating with community organizations, I developed skills in health promotion and advocacy, motivating me to contribute to meaningful public health efforts.
